Mayor Appoints New Facilities Maintenance Director

Mayor Harold Perrin announced today that Ronnie Shaver is the new Facilities Maintenance Director for the City of Jonesboro. Mr. Shaver is filling the position that was recently made vacant by the death of the City's long-term Facilities Maintenance Director, Keith Sanders.

Since 2002, Mr. Shaver has worked in several positions within the City Administration, most recently as a Senior Code Enforcement Officer in the Quality of Life Department. Mr. Shaver brings many years of experience working closely with all aspects of building construction and facilities maintenance.

"I am pleased we had such a qualified pool of candidates to choose from," said Mayor Perrin. "I am confident that Ronnie will do an outstanding job in his new position, just as he has for the last thirteen years with the City."

Mr. Shaver's appointment takes effect immediately.
